

HOME HEATING CARBON EMISSIONS Publication Promotional License Terms and Conditions

License ID: *PL- SEP21-CO2e-SAP10.2*

License Holder: *subscriber name*

License Holder Organisation: *subscriber organisation*

This license permits the holder to use the contents of the Home Heating Carbon Emissions publication for promotional purposes. Such usage must adhere to the following constraints:

1. Permits statements based on the emissions from home heating for 3-bed Existing Dwelling figures only.
2. Permits simple infographics to be created based on the emissions from home heating for 3-bed Dwelling figures for UK/GB average, NI or RoI only.
3. Any infographics produced must first be approved by Home Heating Carbon Emissions before being displayed elsewhere.
4. Promotional statements and infographics may be displayed on licence holders Social Media sites, websites and may be shared during licence holder's internal meetings. Promotional statements and infographics may also be used in PR articles for newspapers and magazine, but these articles must be written by the licence holder.
5. Promotional statements and infographics may be shared by 3rd parties from the licence holders Social Media sites, but may not be displayed on 3rd parties' websites, unless the 3rd party holds a promotional licence.
6. Does not permit infographics to be created based on regional UK figures, ie Scotland, Northern England, Midlands, South East England, South West England & Wales
7. Statements made by the licence holder based on Home Heating Carbon Emissions figures are the responsibility of the licence holder, and do not reflect the views of Home Heating Carbon Emissions.
8. Any references to the contents of the publication must be accompanied by the name Home Heating Carbon Emissions, along with a link, where appropriate, to the Home Heating Carbon Emissions website.
9. **Does not permit reproduction of any of Home Heating Carbon Emissions graphs or tables in their entirety**

This license only applies to publication ID SEP21-CO2e-SAP10.2

The holder must comply with all other terms and conditions, as is laid out in the Home Heating Carbon Emissions Terms & Conditions and Copyright notices.

Home Heating Carbon Emissions Terms & Conditions can be viewed at www.homeheatingcarbonemissions.com/terms_and_conditions

Home Heating Carbon Emissions Copyright Notice can be viewed at www.homeheatingcarbonemissions.com/copyright

Home Heating Carbon Emissions reserves the right to amend licence conditions, T&Cs and Copyright at any time
